

Safety Policy

Swagefast is committed to consistently working in a safe manner. Our Company commitment, as well as our personal commitment is subject to considerations of health and safety and within the constraints posed by the nature of its business, *Swagefast* seeks to protect the right to:

- maintain a safe working environment;
- maintain an injury-free working environment;
- maintain safe and healthy working relations;
- provide and maintain safe plant and equipment;
- review and revise this policy as necessary;
- be in compliance with all associated laws and regulations.

To accomplish this goal we will commit the necessary resources, encourage development of safe working attitudes, develop and communicate safety programs and standards. Always have the necessary signs and indicators applied and displayed to indicate hazardous areas and or conditions. Ensure adherence and discipline throughout the organization.

In the final analysis we are all responsible for our personal safety as well as the safety of those around us.
